

# Wet Step<sup>®</sup> Mats

**Anti-Fatigue Mats • Wet Area • Indoor/Outdoor**

Wet Step mats provide slip resistance and ergonomic benefits in wet areas.

- **Slip-Resistant & Safe** – Drainage holes allow water to freely drain away
- **Comfortable** – 1/4" high-density nitrile foam provides excellent anti-fatigue properties and feels great to bare feet
- **Clean** – Anti-microbially treated to help prevent odors and degradation; mold and mildew resistant; anti-fungal
- **Durable** – Nitrile rubber foam is UV resistant and lasts considerably longer than PVC (vinyl) foam
- **Easy to Clean** – Can be autoclave sterilized, commercially laundered, or washed by hand
- Available in blue or grey

Grey

## Recommended Uses

Recommended for use in wet areas where additional slip-resistance is needed - locker rooms, showers, and around pools and spas. Also recommended for use in medical settings such as operating rooms and scrub areas.
